

Taiwan Experience Education Program in Medicinal & Applied Chemistry at Kaohsiung Medical University (TEEP@KMUC)

The Ministry of Education-Taiwan launched a new program titled “Taiwan Experience Education Program (TEEP)” scheme to welcome students from All Countries to join and explore different universities and colleges in Taiwan for a short-term research internship. This TEEP@KMUC Program in Medicinal & Applied Chemistry program at Kaohsiung Medical University (KMU) is promoted, funded, and approved by Ministry of Education-Taiwan (MOE), proposed and organized by KMU, and co-organized and supported by TEEP and Elite Study in Taiwan (ESIT).

KMU, the first private and top medical university in Taiwan, established in 1954, has a multicultural and bilingual environment with international students from more than 50 countries. The Department of Medicinal and Applied Chemistry, established in 1990, has over 21 professors in 5 research areas covering all chemistry domains. The department is ranked No. 1 in Taiwan in the field of Medicinal and Applied Chemistry and is home to a vibrant international student community. With strong interdisciplinary collaboration—including close ties to medicine through KMU’s four affiliated hospitals—the department provides an outstanding environment where medicine and chemistry converge.

The TEEP@KMUC Program is specifically designed for foreign students/scholars to experience and explore KMU in depth in a short time (3 ~ 6 months) through research and study activities at department of medicinal and applied chemistry, KMU, Taiwan. The TEEP@KMUC program highlights short term research experiences and English teaching curriculum by (1) intern at various research labs at different fields of advanced medicinal and applied chemistry research areas, (2) exploring and handling of various advanced research equipment at KMU, (3) great research interaction with medicine and learning advanced medicinal chemistry courses. In addition to gaining professional knowledge and skills, this TEEP@KMUC program also offers great opportunities to continue to pursue higher education at KMU and for participating students to learn Chinese, improve their language proficiency, and gain understating of Taiwanese culture.

Program:	TEEP@KMUC Program
Field:	Medicinal & Applied Chemistry
School:	Kaohsiung Medical University (KMU), Taiwan
Organizer:	Department of Medicinal and Applied Chemistry
Co-Organizer:	Taiwan Experience Education Program

Internship Period:	3~6 months (Minimum term should be at least 3 months ; Maximum of 180 days)
Internship Period:	Starts at 2025/06/01 and ends at 2026/6/30
Internship covers:	<p>You will be offered 15,000 NTD per month (~500 USD/month with a total maximum amount of 60,000 NTD), which we intend to cover your airfare, off-campus rental house accommodation fare, basic monthly living fare, and basic medical insurance. Note: You have to find your own off-campus rental house accommodation nearby KMU campus.</p> <p>Apart from the stipend, you are allowed to free access to our high-tech research facilities on our campus and to participate/attend conferences and special lectures during your internship.</p>
Dormitory Information:	Students are required to arrange their own off-campus accommodation near the KMU campus, as dormitory housing is not provided.
Eligibly:	<p>1. Must hold Citizenship of any countries except Taiwan</p> <p>2. Current undergraduates/graduates (master/doctoral) students or graduated/degree holders of bachelors/masters or company/industry workers are eligible to apply for this internship</p> <p>3. Educational background must be in chemistry (any branches) or related to chemical sciences (Analytical/Physical/Organic/Inorganic/Pharmaceutical/Polymers/Materials/Medicinal/Bio-Chemistry).</p>
Contact Information:	<p>For general information and program application, please contact Ms. Chang at heny@kmu.edu.tw or call +886-7-312-1101 ext.2173. https://chem.kmu.edu.tw/</p> <p>For further academic and research-related questions, please contact Professor Kumar (kumar@kmu.edu.tw)</p>

**Application Form for TEEP@KMUC Program –in
Department of Medicinal and Applied Chemistry,
Kaohsiung Medical University, Taiwan**

Personal Information					
Full Name					
Sex	<input type="checkbox"/> Male <input type="checkbox"/> Female				
Date of Birth	(Month) / (Day) / (Year)				
Nationality					
Passport No.					
E-mail					
Mobile Number					
Skype ID/No.					
Current Position	Student: <input type="checkbox"/> BS <input type="checkbox"/> MS <input type="checkbox"/> PhD Working as (Specify) :				
Contact Address					
Educational Profile					
	Name of College/Institute/ University/Company	City/Country	Major/Specialization	Duration	Degree
Bachelor degree				From : (month/year) To :	
Master Degree				From : To :	
Doctoral Degree				From : To :	
Other work/research Experiences					
Interested field of chemistry in this TEEP@KMUC					

(Specify) :			
Which professor would you like to apply for (Specify):			
Willing to apply TEEP@KMUC for		_____months (3 ~ 6 months)	
Emergency Contact Person in your country or in Taiwan			
Name		Phone	Relationship
Address of Contact		Email	
References:			
Referee 1 Name: Relation to applicant: Title/Position: Address: Email and Phone number: ()			
Referee 2 Name: Relation to applicant: Title/Position: Address: Email and Phone number: ()			
Declaration			
<p>I authorize this University to verify all of the above information provided. After being admitted into this TEEP@KMUC provided, if any of the information provided are found and proved to be false, I have no objections in accepting the consequence of having my grant status revoked.</p>			
Applicant's Signature:		Date: (month) (day) (year)	

Additional Documents Required:

1. Detailed Resume/CV
2. Highest-level qualification degree certificate or diploma
3. Highest-level qualification degree Transcripts (Consolidated grade sheet)
4. 1 ~ 2 Recommendation letters - At least one recommendation letter from your current or previous college or company.
5. Passport Copy
6. Research plan and proposal

7. Potential Adviser Agreement Form
8. ***Scanned electronic copy of filled application form along with required documents should be submitted through email as a zipped file to Miss Chang, heny@kmu.edu.tw**

Kaohsiung Medical University (KMU)
Department of Medicinal and Applied Chemistry
TEEP Potential Adviser Agreement Form

Student Information:

Full Name : _____

Phone : _____

E-mail : _____

I, Prof. _____, has been confirmed that I'm the potential adviser of the application student named _____ for his/her thesis /dissertation during his/her stipulated study period in TEEP program in the Department of Medicinal and Applied Chemistry, KMU.

Professor's signature : _____

Date : _____
