

Kaohsiung Medical University, Taiwan
Full-time Faculty Opening at Department of Medicinal and Applied Chemistry

The Department of Medicinal and Applied Chemistry at KMU invites applications for one full-time, open-rank faculty position. Applicants must hold a doctorate degree in chemistry related fields from universities certified by Ministry of Education of Taiwan along with at least one year of postdoctoral research experience. Applicants with the research interests in inorganic chemistry are preferred. Candidates with relevant teaching experience are also preferred but not essential. It is required the candidate will be able to teach chemistry courses in English.

The following documents should be submitted in the application package:

- (1) A cover letter, detailed curriculum vitae, a copy of the Ph.D. diploma and copies of the certificate of the postdoctoral or relevant employments.
- (2) A list of publication and reprints of representative papers published in the last five years.
- (3) A self-appraisal table of application.
- (4) A description of research plans and a statement of teaching philosophy and preferences.
- (5) Two recommendation letters. (For those who apply assistant professor position, one recommendation letter must be sent from your Ph.D. thesis advisor.)

The forms of publication list, the self-appraisal table of application, and other necessary documents can be downloaded from <https://goo.gl/hw4BgW>

The application package should be sent by a registered mail to:

Mr. Ho (何三寶先生),

Personnel Office, Kaohsiung Medical University, 100, Shih-Chuan 1st Road, 807 Kaohsiung City, Taiwan, R.O.C.

Phone: +886-7-3121101ext 2104; e-mail: spho@kmu.edu.tw

(The name of the applicant and the position of the application should be noted on the envelope)

The application package (one copy) must be received by Dec. 8th, 2017 and the starting date of the position will be Aug. 1st, 2018.

In addition, please also fill up the forms in the link <https://goo.gl/A2L9R2> to complete the application process.
