

Fully Funded Short-Term Research Internship (STRI) Program in Medicinal & Applied Chemistry at Kaohsiung Medical University (KMU), Taiwan

The Ministry of Education-Taiwan, launched a new program titled “Taiwan Experience Education Program at INDIA (TEEP@India)” to welcome Indian students to join and explore different universities and colleges in Taiwan for short term professional internship. This STRI@KMU Program in Medicinal & Applied Chemistry program is promoted, funded, and approved by MOE (the Ministry of Education, Taiwan), proposed and organized by KMU, and co-organized and supported by TEEP@India and Elite Study in Taiwan (ESIT).

KMU was the first private medical university in Taiwan, established at 1954 and has a multicultural and bilingual environment with international students from more than 50 countries. The Department of Medicinal and Applied Chemistry was established on 1990 and possess more than 20 professors in 5 research areas covering all chemistry domains. And the department Ranked No#1 for medicinal and applied chemistry field in Taiwan and possess large number international students and have great research interaction with medicine (4 affiliated KMU hospitals).

The STRI@KMU Program is specifically designed for Indian students/scholars to experience and explore KMU in depth in a short time (4-6 months) through research and study activities at department of medicinal and applied chemistry, KMU, Taiwan. The STRI@KMU program highlights short term research experiences and English teaching curriculum by (1) intern at various research labs at different fields of advanced medicinal chemistry research areas, (2) exploring and handling of various advanced research equipments at KMU, (3) great research interaction with medicine and learning advanced medicinal chemistry courses. In addition to gaining professional knowledge and skills, this STRI@KMU program also offers great opportunities to continue to pursue higher education at KMU and for participating students to learn Chinese, improve their language proficiency, and gain understating of Taiwanese culture.

Program:	Short-Term Research Internship (STRI) Program
Field:	Medicinal & Applied Chemistry
School:	Kaohsiung Medical University (KMU), Taiwan
Organizer:	Kaohsiung Medical University (KMU), Taiwan
Co-Organizer:	Taiwan Experience Education Program at INDIA

Internship Period:	4~6 months (Minimum term should be at least 4 months)
Total Intern Positions:	10
Application period:	2017/09/01 ~ 2017/09/30
Result Announcement:	2017/10/11
Internship Period:	Starts at 2017/11/01 and ends at 2018/06/30
Internship covers:	<ol style="list-style-type: none"> 1) Round-trip airfare offered up to NTD 20,000 2) Free accommodation is provided. 3) Grant of NTD 3~4,000 per student per month are available for living cost. 4) Free Medical Insurance during the intern stay 5) Free access to Research facilities. 6) Attending Conferences and Special Lectures are available.
Dormitory Information:	International Dormitory at KMU (2 or 4 students/room)
Eligibly:	<ol style="list-style-type: none"> 1. Must hold Indian Citizenship 2. Current undergraduates/ graduates (master/ doctoral) students or graduated/ degree holders of Bachelors/Masters/PhD or company/industry workers are eligible to apply for this internship 3. Educational Background must be in Chemistry (any branches) or related to Chemical Sciences-Organic/ Inorganic/Pharmaceutical/Polymers/Materials/Medicinal/ Analytical/Physical/Bio-Chemistry.
Contact Information:	<p>For general information and program application, Please contact Ms. Lo at peggielo@kmu.edu.tw or call +886-7-312-1101 ext.2215. Faculty details at https://chem.kmu.edu.tw/index.php/en-GB/</p> <p>For further academic and research related questions, Please contact Professor Kumar (kumar@kmu.edu.tw)</p>

**Application Form for Short-Term Research Internship
(STRI) Program - TEEP@India in
Department of Medicinal and Applied Chemistry
Kaohsiung Medical University-Taiwan**

Personal Information		Attach recent photograph here (about 1" x 2")			
Full Name					
Sex	<input type="checkbox"/> Male <input type="checkbox"/> Female				
Date of Birth	(Month) / (Day) / (Year)				
Passport No.					
E-mail					
Mobile Number					
Skype ID/No.					
Educational Profile					
Education	Name of College/Institute/ University/Company	City and Country	Degree	Duration	Major
College/ University/ Bachelor degree				From : (month/year) To : (month/year)	
Master Degree				From : To :	
Doctoral Degree				From : To :	
Other work Experiences					
Which field of Chemistry do you like to intern for:					
Which professor do you wish to apply for :					
Willing to internship for how many			_____ Months (4 ~ 6 months)		
Emergency Contact Person in India or Taiwan					
Name		Phone		Relationship	
Address in India/Taiwan			Email		

References:**Referee 1****Name:****Relation to applicant:****Title/Position:****Address:****Email and Phone number: ()****Referee 2****Name:****Relation to applicant:****Title/Position:****Address:****Email and Phone number: ()****Declaration**

I authorize this University to verify all of the above information provided. After being admitted into this STIP@KMU provided, if any of the information provided are found and proved to be false, I have no objections in accepting the consequence of having my grant status revoked.

Applicant's Signature:**Date: (month) (day) (year)****Additional Documents Required:**

1. Resume/CV
2. Highest-level qualification degree certificates or diploma
3. Highest-level qualification degree Transcripts (Consolidated grade sheet)
4. 1 ~ 2 Recommendation letters - At least one recommendation letter from your current or previous college or company.
5. Passport Copy
6. Research Plan and Proposal

*Scanned Completed Application Form along with the electronic copies of required documents should be submitted through email as zipped file to peggielo@kmu.edu.tw.

Note: All the separate files should be in PDF file format in the zipped file. Incomplete application or lack of required documents will be rejected.
