

Taiwan Experience Education Program in Medicinal & Applied Chemistry at Kaohsiung Medical University (TEEP@KMUC)

The Ministry of Education-Taiwan, launched a new program titled "Taiwan Experience Education Program at Asia plus (TEEP@AsiaPlus)" scheme to welcome Asian Countries' students to join and explore different universities and colleges in Taiwan for short term research internship. This TEEP@KMUC Program in Medicinal & Applied Chemistry program is promoted, funded, and approved by Ministry of Education-Taiwan (MOE), proposed and organized by KMU, and co-organized and supported by TEEP@AsiaPlus and Elite Study in Taiwan (ESIT).

KMU, the first private and top medical university in Taiwan, established at 1954 and has a multicultural and bilingual environment with international students from more than 50 countries. The Department of Medicinal and Applied Chemistry was established on 1990 and possess more than 20 professors in 5 research areas covering all chemistry domains. Our department ranked No#1 in medicinal and applied chemistry field in Taiwan and possess large number international students and have great research interaction with medicine (4 affiliated KMU hospitals). We are proud our department is a great place where medicine meets chemistry.

The TEEP@KMUC Program is specifically designed for Asian countries students/scholars to experience and explore KMU in depth in a short time (4 ~ 6 months) through research and study activities at department of medicinal and applied chemistry, KMU, Taiwan. The TEEP@KMUC program highlights short term research experiences and English teaching curriculum by (1) intern at various research labs at different fields of advanced medicinal and applied chemistry research areas, (2) exploring and handling of various advanced research equipment at KMU, (3) great research interaction with medicine and learning advanced medicinal chemistry courses. In addition to gaining professional knowledge and skills, this TEEP@KMUC program also offers great opportunities to continue to pursue higher education at KMU and for participating students to learn Chinese, improve their language proficiency, and gain understating of Taiwanese culture.

Program:	TEEP@KMUC Program
Field:	Medicinal & Applied Chemistry
School:	Kaohsiung Medical University (KMU), Taiwan
Organizer:	Department of Medicinal and Applied Chemistry
Co-Organizer:	Taiwan Experience Education Program at AsiaPlus
Internship Period:	4~6 months (Minimum term should be at least 4 months; Maximum of 180 days)

Application period:	2020/01/1 ~ 2020/4/24
Result Announcement:	2020/04/30
Internship Period:	Starts at 2020/05/20 and ends at 2020/12/31
Internship covers:	<p>You will be offered with 15,000 NTD per month (~500 USD/month) which we intend to cover your airfare, off-campus rental house accommodation fare, basic monthly living fare and basic medical insurance. Note: You have to find your own off-campus rental house accommodation nearby KMU campus [KMU will help you to find rent accommodation for you].</p> <p>Apart from the stipend, you are allowed to free access to our high-tech research facilities on our campus and to participate/attend conferences and special lectures during your internship.</p>
Dormitory Information:	International Dormitory at KMU (If the dorm have vacancy)
Eligibly:	<ol style="list-style-type: none"> 1. Must hold Citizenship of any Asian countries except Taiwan 2. Current undergraduates/graduates (master/doctoral) students or graduated/degree holders of bachelors/masters or company/industry workers are eligible to apply for this internship 3. Educational background must be in chemistry (any branches) or related to chemical sciences (Analytical/Physical/Organic/Inorganic/Pharmaceutical/Polymers/Materials/Medicinal/Bio-Chemistry).
Contact Information:	<p>For general information and program application, please contact Ms. Chen at r081025@kmu.edu.tw or call +886-7-312-1101 ext.6985. https://chem.kmu.edu.tw/</p> <p>For further academic and research related questions, please contact Professor Kumar (kumar@kmu.edu.tw)</p>

Application Form for Short-Term Research Internship (STRI)
Program - TEEP@AsiaPlus in
Department of Medicinal and Applied Chemistry,
Kaohsiung Medical University, Taiwan

Personal Information					
Full Name					
Sex	<input type="checkbox"/> Male <input type="checkbox"/> Female				
Date of Birth	(Month) / (Day) / (Year)				
Nationality					
Passport No.					
E-mail					
Mobile Number					
Skype ID/No.					
Current Position	Student: <input type="checkbox"/> BS <input type="checkbox"/> MS <input type="checkbox"/> PhD Working as (Specify):				
Contact Address					
Educational Profile					
	Name of College/Institute/ University/Company	City/Country	Major/Specialization	Duration	Degree
Bachelor degree				From : (month/year) To :	
Master Degree				From : To :	
Doctoral Degree				From : To :	
Other work/research Experiences					
Interested field of chemistry in this STRI (Specify) :					
Which professor would you like to apply for (Specify):					
Willing to apply STRI for		<u> </u> months (4 ~ 6 months)			

Emergency Contact Person in your country or in Taiwan

Name	Phone	Relationship
Address of Contact		Email

Declaration

I authorize this University to verify all of the above information provided. After being admitted into this TEEP@KMUC provided, if any of the information provided are found and proved to be false, I have no objections in accepting the consequence of having my grant status revoked.

Applicant's Signature:

Date: (month) (day) (year)

Additional Documents Required:

1. Detailed Resume/CV
2. Highest-level qualification degree certificate or diploma
3. Highest-level qualification degree Transcripts (Consolidated grade sheet)
4. 1 ~ 2 Recommendation letters - At least one recommendation letter from your current or previous college or company.
5. Passport Copy
6. Research plan and proposal
7. Potential Adviser Agreement Form
8. ***Scanned electronic copy of filled application form along with required documents should be submitted through email as a zipped file to Miss Roca Chen, r081025@kmu.edu.tw**

Kaohsiung Medical University (KMU)
Department of Medicinal and Applied Chemistry
TEEP Potential Adviser Agreement Form

Student Information:

Full Name : _____

Phone : _____

E-mail : _____

I, Prof. _____, has been confirmed that I'm the potential adviser of the application student named _____ for his/her thesis /dissertation during his/her stipulated study period in TEEP program in the Department of Medicinal and Applied Chemistry, KMU.

Professor's signature : _____

Date : _____
